

Haleakala National Park - Hawaii

More Than Just A Moment

This special place vibrates with stories of ancient and modern Hawaiian culture and protects the bond between the land and its people. The park also cares for endangered species, some of which exist nowhere else. Come visit this special place - renew your spirit amid stark volcanic landscapes and sub-tropical rain forest with an unforgettable hike through the backcountry.

Did You Know?

When conditions permit, you can see across the channel to the island of Hawai'i while enjoying the coastal views in the K pahulu Area of Haleakala National Park.
