

North Cascades National Park - Washington

"The North Cascades are Calling!"

Less than three hours from Seattle, an alpine landscape beckons. Discover communities of life adapted to persistent moisture in the west and recurrent fire in the east — all sensitive to climate change. Explore jagged peaks crowned by more than 300 glaciers. Contemplate waterfalls cascading into deep valleys. Help steward the ecological heart of the Cascades. These mountains are calling for you.

Did You Know?

North Cascades National Park Service Complex includes 684,000 acres near the crest of the Cascade Mountains from the Canadian border south to Lake Chelan.
